This sheet is worth 2.0 credit hours towards the arborist license renewal when completed.

All Insects must be in good condition, and must be brought to the CT Agricultural Experiment Station's Insect Inquiry Offices in either New Haven or Windsor. For additional details, please refer to the "Instructions for Arborists to get Credit for Collecting Insects" available on the CTPA website – www.CTPA.org.

When this sheet is filled (10 insects are collected), please make 2 copies. Keep one copy for your records, give one copy to the CAES Insect Inquiry Office, and turn the original in with your license renewal forms.
